ISO 9001

NIGHTWOLF

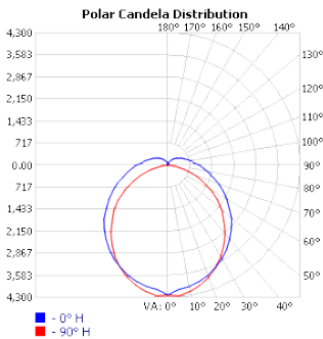

Product Benefits

- Industry-Leading Low Life Cycle Cost
- Low energy consumption
- Easy installation
- SABS Tested and Passed
- SANS-IEC 60598 safety compliance and mark
- Direct Drive Technology Onboard
- Low maintenance

Product Features

- Durable polycarbonate body and diffuser
- Low glare
- Variable output achieved by variable switching
- Additional Options Include Emergency, Radar Motion sensor and Variable Switching
- Long life- L70B10 = 70 000 Hours
- Stainless steel diffuser clips optional
- LED life L70B10 - 70 000 hours
- Direct Drive Technology Onboard
- Supply = 220-240V 50-60Hz PF>0.98
- 80% Flicker Free
- T Ambient (max) = + 35°C and T Ambient (min) = - 40°C
- Safety Measures Include : Durable material Selection, Fire-Friendly, IEC and SABS compliance and Surge Protection of 1,5kV
- No Interference with WIFI Barcode Scanners or Radio Frequencies
- 8 year guarantee
